Thanks, Tim et al.—this looks like a good introduction for Lee and do not have any specific edits to the PPT. We need to be prepared to

Let me know who will walk through the slides so that I know who to hand off to after some opening remarks.

Thanks

All:

Sorry for the late email. Attached is the draft final slide presentation for the Rosemont briefing with Lee on Thursday afternoon. Much of this background information should look familiar. The presentation has been coordinated with Region 9, including Water program staff and counsel. Please let me know by noon Wednesday if there are any further suggestions. I will need to provide copies to Crystal Penman by 3pm. Thank you.
